

## ***Minister of Dance: Desiree Ross***

*Minister Desiree Ross has a passion for people and her ministry that started over 20 years ago in Sumter, South Carolina. She started in a church called Trinity Missionary Baptist Church as a praise dancer. As she gave herself over to God and her ministry, God led her all over the world to Turkey, Japan, and throughout the United States allowing Him to use her to bring deliverance and freedom through the awesome expression of dance.*

*In 2004, God shifted her focus to a new form of dance called Mime Ministry. Being obedient to the Spirit of God and leaving her comfort zone, she embraced this form of ministry and the impact was immediate. God opened more and more doors to use this expression of dance to bring deliverance to those who were hurting. Everywhere God has led her, the anointing that God has in her life comes forth and God's people are set free as she gives herself over to His spirit through dance.*

*God has not only placed a powerful anointing on her life through dance, but He has given her a gift of teaching others how to bring forth their gifts in dance. She has used this gift all over the world and has birthed many disciples who constantly seek her for counsel and encouragement in pursuing their ministry.*

*Perhaps the greatest work God has given her to date is as founder and leader of the ministry called HIZ Breath. HIZ breath came to be in Spring of 2009. This community mime troupe started with five teens that had a passion for God. Under her guidance and direction, HIZ Breath has ministered all over the tri-state area and has left God's people speechless when they minister. Every place they minister, young people desire to be a part of the ministry. In a six month period, the troupe doubled and is still growing.*

*God has placed Min. Ross on a mission to share her ministry all over the world and she has accepted the call. Min. Ross has hosted and assisted numerous workshops and has produced a DVD entitled, "Let there be Praise". This is just the beginning as God has spoken to her that she will bring forth deliverance to millions through her ministry. Min. Ross has no greater desire than to please God and has given herself totally over to this.*

*Min. Ross currently resides in Orangeburg, SC with her husband Pastor Wayne K. Ross (Ret.USAF MSgt) who she has been married to for 25 years. To their union they have been blessed with three children, Cheyenne, Danita, and Jacob. They also have three grand children.*
